

Amendments to the Specification

IN THE WRITTEN DESCRIPTION

Please add the following new heading after paragraph [0008]:

---SUMMARY OF THE INVENTION---

Please replace paragraph [0022] with the following amended paragraph:

[0022] The vehicle 2 is provided with an air conditioner 44  
~~28~~ to control the air of the driver's compartment (not shown),  
in which coolant of the engine 4 is employed as a heat source  
for heating and the driving force of the engine 4 is employed  
to drive a compressor (not shown) for cooling. The air  
conditioner 44 includes a heater core 46 to heat the passing  
air by circulating therethrough the coolant of the engine 4,  
an evaporator 48 to cool the passing air by circulating a  
refrigerant compressed by a compressor, and a cooling fan (not  
shown). The heater core 46, the evaporator 48, and the  
cooling fan are disposed in an air conditioning passage 52  
defined by an air conditioning duct 50.
